EXTRACT FROM THE REPORT OF THE COMMITTEE FOR RATIONALISATION OF ALLOWANCES.

- - - - -

III. CONVEYANCE ALLOWANCE :

8. This is regulated by the conditions laid down in Article 501 of the Mysore Services Regulations. It is admissible only when a Government servant has a large amount of travelling at or within a short distance from Headquarters for which travelling allowance is not admissible under the rules. It is being usually granted to Government servants residing in big Cities and District Headquarters, towns within which constant official journeys have to be performed. The amount of Conveyance Allowance ought obviously to be fixed with reference to the nature of the conveyances which Officers of different ranks are required or expected to maintain for the efficient discharge of their duties.

x x x x x

10. Besides, all Government servants who are eligible to maintain either a Motor Car or a Motor Cycle should be specifically required to certify not only that the vehicles are maintained in good condition but also that they are being put to actual use. If such use is not made in their day-to-day work, the Officers will not be entitled to draw the allowance. Superior Officers should keep a close watch and take needful action whenever any lapse in this respect comes to their notice. The forms of the certificates should be suitably altered in this behalf.

x x x x x

12. An allowance of Rs.75 per month for a Car, Rs.25/- per month for a Motor Cycle and Rs.5/- to Rs.7-8-0 per month for a Bicycle were suggested in the report of Sri B.S. Ra

Raghavendra Rao as suitable. This Committee feel that having regard to the distances to be traversed, the quantum of Motor Car and Motor Cycle Allowances to be granted in Bangalore should be somewhat higher than in other parts of the State. As regards the Cycle which is the poor man's vehicle, the quantum of allowance for it's maintenance should be generally raised as the cost of maintenance including the price of spare parts has increased.

13. Weighing the several factors, the Committee recommend that the scales of allowance for maintenance and use of the different kinds of Conveyance be fixed as follows subject to slight variations in a few cases on account of intensive moving about within limited jurisdiction:

Kind of conveyance	For use in Bangalore	For use in Other Places.
(a) Motor Car	Rs.75 per mensem	Rs.60 per mensem
(b) Motor Cycle	Rs.35 " "	Rs.25 " "
(c) Bicycle	Rs.10 " "	Rs.7/8/- "

Modifications recommended by the Committee for Rationalisation of allowances in respect of City Improvement Trust Board, Bangalore, is attached.
